# Deployment of CO<sub>2</sub> Capture in the Cement Industry

Daniel Gauthier, Chairman ECRA

CCS-conference

Brevik, May 20-21, 2015

# ECRA Chair at the University of Mons

- Since 2013: **Academic chair entitled “CO<sub>2</sub> to Energy: Carbon Capture in Cement Production and its Re-use”**.
- UMONS academic background: CCS, absorption/adsorption techniques in industrial applications
- Chair supports research activities by financing fellowships for postdoctoral researchers or PhD students.
- Guidance by scientific committee with representatives from ECRA and UMONS
